TO THE TRADE—Note Carefully

We buy and exchange for Tree Seed and Hardwood Cuttings.

We are wholesale growers of stock for Nurserymen and Florists; have been growing this kind of stock for years. As we get repeat orders from leading Nurserymen and Florists all over the United States, our stock must meet their requirements. We solicit a trial order from you. As the Atlantic Nurseries are growers and not jobbers, we advise early orders. When our stock is sold we are through until we grow some more. We will be pleased to price your want lists at any time.

Yours very truly,

ATLANTIC NURSERY CO.
